

JARED TEIGER

INDUSTRIAL DESIGNER

EDUCATION

2021-2025 Bachelor of Science in Industrial Design
Georgia Institute of Technology - Atlanta, GA
College of Design
GPA: 3.91/4.0

WORK EXPERIENCE

2023 **PRODUCT DESIGNER**
HELLOREAL - ATLANTA

- Researched and defined user-friendly mechanisms (clasps, locks, bolts, clips) to be used in a future product.
- Created 15+ durable 3D printed prototypes using Fusion360 to optimize mechanisms.
- Designed innovative VR controller devices through sketching and conceptualization 25+ ideas.
- Contributed to marketing by starring in and editing a Tennis Pro Swing video for social media.

2022-2023 **DESIGN INTERN**
ACTASYS - TEL AVIV ~ LOS ANGELES

- Rendered and animated digital illustrations of next gen technology Actajet, showcasing product capabilities to clients through online and physical (CES-2023) platforms.
- Created 10 infographic videos and animations detailing the companies diverse product capabilities for cleaning lidar and camera sensors throughout their website.
- Designed a conceptual thermal cooling vent mock-up, outlining compatibility with the existing industry products.
- Filmed and edited a promo video during the 2023 CES convention to be shared on their social media platforms.

2020-2022 **3D DESIGNER**
PANSPATIAL CONCEPT DESIGN - LOS ANGELES

- Completed the Trillium Stargate aircraft design for portfolio.
- Researched existing technology examples to understand form and function of (Wings, Flight Controls, Landing Gear, Engines).
- Modeled and animated components (Wings, Flight Controls, Landing Gear, Engines, Cockpit).
- Prepared and presented multiple designs through the iterative design process: sketching, test for effect, incorporate changes, final design.
- Completed the modeling and texturing of the Epiguard Shuttle to be showcased as an asset in the Fledermauser Aircraft pitch.
- Identified form and function factors that accurately depicted the physical dimensions of the model to inform final decisions in the aircrafts design.

AWARDS

SIT Furniture Design Award

Georgia Tech ID Faculty Merit Award

Scholastic Art and Writing - Gold Key and National Medal in Industrial Design

SKILLS

CREATIVE:

Adobe Suite	Graphic Design
Sketching	Model Making
Animation	Concept Development
User Research	Ethnographic Research

CAD:

Autodesk Maya	Fusion360
Unreal Engine	Keyshot

MANAGEMENT:

Leadership	Problem Solving
Communication	Design Thinking

INTERESTS

Fitness	Movies
Hiking/Nature	Cooking
